Mission Control SuperHero Celebration Display

This is your official CME HEROES mask! Decorate it to represent your company, your mission, your spirit or with special messages for our Museum SuperKids and SuperCareGivers. Send it back to us and we will display it at Mission Control for the rest of 2020 in celebration of your commitment to SAVE THE DAY FOR PLAY!

Participation is optional but strongly encouraged because it is super fun! Masks will be under Mission Control protection but readily accessible for the viewing public in the windows of our Big Green Fire Truck Doors. All masks will be scanned for spy devices to ensure our industry trade secrets for super fun and learning will not be at-risk.

Teleport your mask to CME via scanometer and electronic message, drop it as you fly overhead on your next mission or send via ground transportation and the postal service.
